- By informing her in some other way Give details _____

7. DESCRIPTION OF INCIDENT

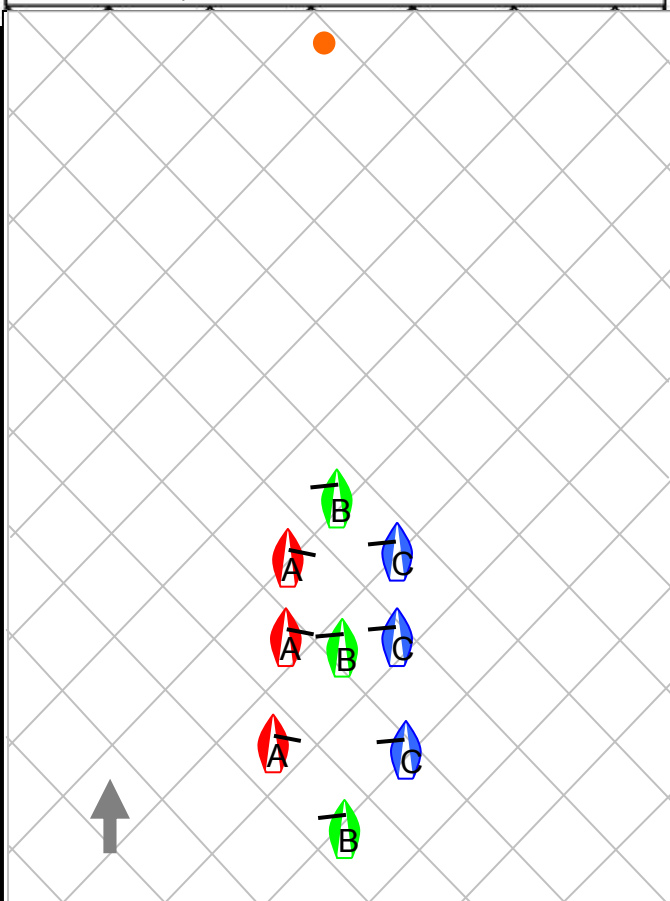

(use another sheet if necessary)

Diagram: one square = one hull length

Show position of boats, wind and current direction, marks.

We were many boat lengths from the B mark.
Boat B overtook us from clear astern. She was traveling faster than we or Boat C. We were on port tack, and they were on starboard.

We heard them hail "starboard." Boat C prevented Boat B from turning to starboard. Our mast hit Boat B's port shrouds. There was no injury or damage.

7. **DESCRIPTION OF INCIDENT**

(use another sheet if necessary)

We were approaching Mark A, which was to be left to port. Boat C entered the 2 boat length circle first. Boat B was overlapped with Boat C, and we were overlapped with Boat B. We called for room, but Boat C didn't give Boat B room, and we were forced into the mark. Boat C called back that we were clear astern of him, and not entitled to room
