

# Race Signals

The meanings of visual and sound signals are stated below. An arrow pointing up or down ( $\uparrow$   $\downarrow$ ) means that a visual signal is displayed or removed. A dot (●) means a sound; dots with dashes (●—●) mean repetitive sounds. When a visual signal is displayed over a class flag, the signal applies only to that class.

## Postponement Signals

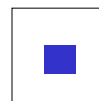

**AP** Races not started are *postponed*. The warning signal will be made 1 minute after removal unless at that time the race is *postponed* again or *abandoned*.

## Abandonment Signals

**N** All races that have started are *abandoned*. Return to the starting area. The warning signal will be made 1 minute after removal unless at that time the race is *abandoned* or *postponed*.

## Course Change Signals

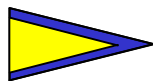

**S** No later than the warning signal: Sail the short course.  
At a rounding or finishing mark: Finish between the nearby mark and the staff displaying this flag.

## Recall Signals

**X** Individual Recall

**First substitute** General recall. The warning signal will be made 1 minute after removal.
